

♥ We 'Are HERE' ! ♥

It had been such a magical ride already. I mean . . . Who else do you know . . . who has received direct transmissions – ‘instructions’, really – from ‘The Voice’? And who has – with such dogged commitment, as if she is holding a bone in her teeth and will not – under *any* circumstance – ‘give in’ or ‘give up’?

Who else do you know . . . who has entered what *seemed* like a simple request – and what turned out to be a hall of mirrors, an absolute enigma, a ‘matrix’ of dimensional challenges, leaps and bounds beyond what she’d ever been exposed to before?

When we talked about this, quite recently, Ella and I came up with this metaphor ☺

Her life – *especially* while we’ve been in the midst of scribing *Water Lillies* and now *I Am You* (not to mention its ‘precursor’ book ☺ – the one that stirred up the hornets’ nest *so* profoundly that her life – literally – was under threat) – has oh so rapidly come to resemble nothing – on the ‘inside’ – that it did before . . .

In fact, one of the huge . . . ‘transformational leaps’ . . . that she’s absolutely needed to make, in order to ‘stay in the game’ of this – has been to transmute herself, as swiftly as possible, to live – in every cell of her being ☺ . . . this ‘mantra’ . . .

Behavior ‘n o r m a l’

Consciousness ‘**t r a n s c e n d e n t a l**’

This ‘journey’ has accelerated *so* swiftly – and, to her and to me, quite suddenly – that we – *she especially* – have been “battening down the hatches” while practicing ‘the art of expansion, rather than contraction’! – simply to . . . ‘keep up’ ♥

She’s known for years – through the myriad ‘predecessors’ of requests to her from Spirit via ‘The Voice’ – predecessors that have gradually, sequentially, brilliantly

prepared her *for this!* – that . . . ☺ “When *The Voice* presents a *request* to me, it feels so *simple!* And yet ☺ . . . almost always, it becomes so much more intricate, deeply challenging to fulfill, and *complex.*” ♥

So it isn’t surprising to her – or now, to me (!) – that fulfilling the request from Spirit to ‘scribe this book’ has become a colossal endeavor – not just in time, coordination, articulate communication between us, what some might call ‘sacrifices’ of other activities to make way for this, and the ‘typical’ challenges of writing an epic ‘book’ . . .

This one . . . is *different* ♥

It’s different because . . . everything *about* it is ‘alchemical’ ♥

It is a ‘real-time read’ – on humanity’s, and the cosmos’s, readiness . . . for the ‘lift’ ♥

As such, it is calibrated, and ‘re’ calibrated ☺, at frequent and ‘a-rhythmic intervals’ . . .

There have been at least two ‘waves’ of threats to her well-being (we will discuss this as this ‘story’ unfolds) – waves that, if it weren’t for the phenomenal support team surrounding her – in human form, cosmic form, and beyond ♥ – this truly would be more than she alone can endure . . .

One of the challenges she’s had to ‘ride’ during this scribing – more than any of the phases of ‘preparation’ she’s been through in order to sit in this seat now ☺ – is that . . . the various people she interacts with ‘around’ her, be it in her community of colleagues who support her, or simply people she interacts with ‘in the world’ . . . they *all* have different . . . ‘capacities’ to comprehend the scope of what she and I are ‘doing’ ♥

And so . . . there isn’t a ‘constant’!

It’s as if . . . every time she interacts with someone . . . it’s a slightly (or substantially) different ‘octave’ of interaction . . . There are few consistencies . . . And in order to not be in ‘isolation’ – beyond she and I communicating frequently and

intensively! – it is *she* who needs to adjust, each and every time, to ‘let go’ what is not yet ready to ‘be’ ♥

All of this . . . requires energy – the most precious commodity that any of us have ☺

So much more will be said as this story unfolds! As . . . the more ‘transparent’ we become, as we tell this, ‘Ella’s story’ . . . the more ‘spokes we present as routes into the *hub*’ ♥ . . . That is, the greater a ‘critical mass of people’ can ‘step onto this moving carpet’ with calm and with ease – and the closer and ‘swifter’ we will *all* be – moment by moment, word by word, breath by reflective, digestive breath – to the ‘tipping point / quantum consciousness *up-shift*’ that is required to point us ALL in the direction of ‘Home’ ♥

So here we are – in the midst of an *incredible* story ☺

And as always, it is my increasingly honored, humbled position to be entrusted with the role of being its current ‘scribe’, on behalf of Ella ♥ . . . Almost unbelievably challenging as it is . . . I wouldn’t alter this *for the ‘world’!*

As you might be gathering ☺ – it is becoming, at times, more and more . . . ‘intricate’! . . . to find ways to describe ‘what’ Ella was experiencing – *and ‘how’ she was experiencing it!*

More and more, as the evolution of this path revealed itself before her, and with her *on ‘it’* . . . it became an increasingly ‘subtle, inner, alchemical, transformative experience’ – rather than a day-to-day, familiar, easy-to-articulate ‘event’ ♥

Having said this, we will continue to do our best to describe ‘what took place’ – in ways that are as easy to connect with and to comprehend as possible!

Please be compassionate with us . . . This is not an easy task ☺

Day One-Forty-Five

So she was en route to ‘Angle terre’! Otherwise known as ‘the UK’ ☺

She had been swept ‘up’ – *so fast* – through terrains of consciousness and, by absolute necessity, courageously inviting others ‘into the fold’, sharing with them what she was being given in the context of ‘downloads’ – information *direct from Source* that would blow the circuitry of most people’s minds ♥

She had already recognized – over two decades prior, during her ‘cloister oyster shell’! – that *there was no turning back* ♥ . . . This is the way – for *any and all of us who truly ‘let go’* into the swiftly forward moving ‘current of awakening’. That is . . . as we ‘remember’ . . . we cannot again . . . ‘forget’ ♥

You might be noticing ☺ . . . an ‘increase in art symbols’ as today’s scribe is unfurling before our very eyes ☺

The ‘lotus’ – at least today! – is ‘replacing’ the ‘deep *breath*’ of the ‘ultra coded scribing’ of *Water Lilies* ☺ . . . We really truly are – *real time!* – ‘stepping down the vibration of how this scribing is flowing in to the human sphere – without diluting its essential integrity’ ♥♥♥♥!

Yes ♥ . . . It was Bruce – who had ‘given her . . . the shelter – the emotional, spiritual shelter . . . to be able to . . . become *quiet* and . . . tune *in* to her . . . own *truth*’ ♥

And in this . . . very ‘precise’ case . . . albeit *not her ‘norm – at all*’ she ‘Knew’ . . . that she had *already ‘lept! . . . leaps and bounds IN! TRUST!* . . . and . . . ‘If . . . she was being *offered . . . an option! . . . to SLOW DOWN! THEN! YES!*’ . . . she would accept . . . this *choice* ♥

And rather . . . than have her *wings ‘revved UP!’* . . . her ‘DNA *re WIRED!*’ . . . to ‘tele *PORT!*’ ! ♥

She would choose . . . right ‘now’ ♥

To ride upon . . . a conventional ‘plane’ ^♥

And so Bruce, was the one who ‘held the *space*’ . . . while Ella, she came to terms . . . with . . . ‘this’ ♥

She re-packed her bags, which she had ‘un’ packed, within a radius of no more, than two feet of them! . . . so that she could, as per the ‘instructions’ that, ‘The Voice’ had made, so gently ‘clear *to her*’ . . . to prepare to ‘leave’ again, in less than, twenty ‘minutes’ ♥

Bruce knew the timing ☺ . . . He had been checking . . . on the internet . . . There was ONE seat, remaining ♥

She swiftly showered, while he loaded her luggage into the car – and they drove ♥

She had never, *ever* traveled ‘this way’ before . . . She was accustomed, to ‘being prepared’ – which ‘typically’ meant, purchasing her ticket ‘in advance’ ☺

So it was new for her (‘yet another level’ of ‘new’! . . . for . . . her), to find out ‘where, and how, *and from whom*’ . . . to purchase this one, remaining ‘ticket’ ♥

They bid farewell . . .

She went through ‘security’ . . .

And he . . . was out of sight ♥ :- (

She had trusted . . . SO much ♥

And she would now . . . trust even more ♥↑

It was while she was in the boarding area, awaiting ‘the call’ to enter the plane itself . . . that she ‘re-routed’ what *would* have been . . . a more ‘leisurely’, core team *call* . . .

In the static, somewhat erratic, boisterous ‘chatter’, all around her . . . She dialed in, from her cell phone, to the ‘conference’ line, again ♥

Familiar voices, they *greeted* her . . . She was with familiar *kin* again, *amidst this ‘din’* . . .

She swiftly filled them ‘in’^ . . . about where she ‘was’^ . . . and why so ‘fast’^ . . . with *out ‘the FUSS’*^ . . . of trusting ‘more’^ . . . to awake her ‘wings’! . . . to re-ignite ‘how’^ . . . to *fly ‘without ! a ! PLANE’* !!!!! ♥

There was tremendous ‘ease’ for her . . . thanks to ‘Bruce’^☺♥ . . . Without ‘his’ support . . . she might have felt ‘shame’ :- (. . . And yet, with his *love* she KNEW! . . . That ‘this’, it was not ‘failure’ ♥ . . . This ☺ . . . it was actually, enormous, *success!* She

and they 'all' ♥... had come 'so FAR'! ☺♥... She would 'in TIME'! ☺♥...
remember 'how'^... to 'tele port'^ ☺♥♥♥

She was in her seat . . . upon 'the plane' . . .

And as she buckled 'in' . . . she could feel 'it' . . . *begin* . . .

This was *always* . . . such a re-*assurance!* . . . No matter how 'challenging' . . .
the place or 'time' . . . or the undeniable 'fact' that . . . she was quite . . . 'different' . . . in
that most all . . . of the other 'people' around . . . her evidently . . . weren't *experiencing*
'this' . . .

It became – more and more *as 'this journey SWEPT'* her . . . actually a 'relief'
when . . . 'The Voice' would *speak to* her . . .

As – just like, in 'cloister' when . . . the 'guides *went*' out . . .

Without 'The Voice' *leading* her . . . her wee small 'ego' could . . . begin to
'doubt' . . .

To doubt – that this *was 'really happening'!*

To doubt – that the 'unseen' is *as REAL!*

To doubt – her 'capability' . . . to integrate the 'enormity' . . . of 'what' . . . she
did 'feel' . . .

And so at times, along this 'journey' . . . throughout the years, of its 'unfolding' . . .
. she 'checked in *to KNOW*' . . . she was not becoming 'addicted' . . . addicted to the
sheer 'challenge ! . . . of this cosmic *show*' . . .

As she is, so evidently now . . . a sacred 'bridge', among scant others . . .
incarnate 'people', who are *not* frightened . . . as they are 'contacted', by divine sisters
and 'brothers' ♥

Paranormal . . . 'surreal' . . . and yet with an *absolute* . . . '*necessity*' . . . that she
integrate 'all of this' . . . so she could 'function' . . . as a normal 'human' . . . here in this
'flesh' ♥♥♥♥

So here she was . . . sitting in her 'plane seat' . . . And impervious . . . to those 'around her' . . . She was being 'spoken' to . . . by immortal 'beings' . . . Who were . . . 're wiring' her . . . for higher 'reception' . . .

She . . . 'became aware' ♥♥ . . . via 'immaculate . . . sensation . . . at the top . . . of her head . . . *her* . . . 'crown' that . . .

And as she attuned 'in' . . . to this 'sensation' . . . she was shown a 'vision' . . . and she heard 'words' ♥♥♥♥

It was the 'Hathors' . . . very tall benevolent 'beings' . . . who were her re 'wiring' . . . in prepare 'ation' . . . for what would soon be 'transpiring' . . . in Angle 'terre' . . . once she landed 'there' . . . upon its 'soil' ♥♥♥♥

It 'felt' like . . . a . . . 'mote' . . . was being 'dug' . . . in the outer 'circumference' . . . of the . . . 'top surface' . . . of . . . 'her head' . . .

She 'checked IN' . . . as she *always does* . . . to 'ensure that' this . . . was pure 'pure Light' . . .

And as she 'discerned this' . . . she 're laxed *into this*' . . . She let it 'happen' . . . with zero 'fight' ☺♥♥♥

Once . . . the 'mote' . . . had 'been dug' . . . As if a 'trench' . . . around 'a fort' ♥
'Then' . . . she 'felt' the 'jewels' . . . Or more 'aptly' . . . she 'felt' their 'place' ♥
As she tuned 'in to *this*' . . . She 'felt' and 'saw where' . . . These 'jewels' would
'be placed' . . . in 'perfect *time*' ♥

There were 'twelve of them' . . . just 'like' a 'sun dial' . . . a 'top' her 'crown' ♥^

A 'top' her . . . 'crown'

♥♥♥♥

She simply breathed . . . deep loving sighs . . . as this took place . . . and too 'completed'

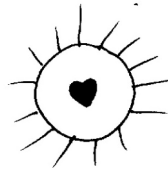

She felt the LOVE in

This simple 'gesture'

Of Hathor 'beings'

Preparing 'her'

♥^^♥

She landed . . . at Gatwick Airport . . . and she made her way . . . to a pay phone . .

She called out to . . . her *dear* friend Frank ☺ . . . and he re 'routed her' . . . as it was not 'his' home . . .

He *knew* 'this' . . .

She was 'not' to 'stay there' . . . No 'not' with 'him' . . . Then 'who' . . . *with?*

She had *trusted!* . . . some 'would' say 'blindly' . . . She had 'bought the ticket' . .

. And 'she *had* . . . *flown*' . . .

With 'out' yet ☺ 'clarity' . . . of where she 'would' be 'staying' . . . Or 'yet' how 'long' . . . Or 'what' would 'happen'

All 'she' knew ☺

Was that *she* 'was *TO COME*' !

That 'this . . . advancement *was!* . . . *IMPERATIVE*' !

She could sense the 'dogma' in (
The conditioned 'teachings' in (
The YEARS the 'church has' tried ☺
To 'keep' human 'souls a' live ♥
And 'yet' the 'sad *est*' part (
As 'she' was 'in this' church ♥
Was 'that' in 'side her' self ♥
She KNOWS
How 'this *lift* ♥ *will* ♥ *PLAY*'
And she can't 'speak this' yet (
In public 'ways just' yet (
So people 'will it' trust ^
And let their dogma ♥ 'safe *holds*' go ♥
Their clinging 'on *to*' what (
They THINK God's ☺ 'son *looks*' ^
Like ☺
And 'yet' what ☺ 'if *he's*' !
Not ?

Just a 'boy' !
With a 'beard' !
In sandled 'feet' !
And a 'robe' !?
WHAT IF !?
He is a 'she' ???
WHAT IF !?
He IS a 'we' ???
WHAT IF !?
He IS us ALL ???
Who ?
Is TRULY 'READY' ?
For God's 'son' ?
To come . . . 'at . . . *all*'??????!
♥♥♥♥♥♥♥

And so . . . 'so much of'
Her 'experience'
Was 'bittersweet now'
As 'she knew that it'
Was 'not quite Time yet'
And 'too that she is'
A 'sacred instrument'
To 'set it straight'
And 'even within this'
Clear 'state of Knowing this'
Of 'pure heart Knowing bliss'
So 'much of this'

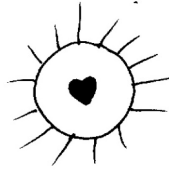

There ‘always has been’
So ‘little control in’
How ‘this script plays in’
This ‘here now world’
That ‘she is called’
To ‘trust within’
Ever ‘more deeply’
As ‘twists and turns in’
This ‘route reveal’
That ‘we are *close* now’
So ‘very *close* now’
To ‘letting *go*’ this
So ‘rhythmic *code*’ ☺
So ‘she can *speak*’ with
Her ‘human *siblings*’
In ‘words *and symbols*’
They ‘understand with’ ! ease ☺

♥♥♥♥♥♥♥♥♥♥^♥♥♥♥♥

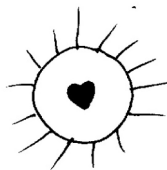

It was that . . . ‘message’ !
That ‘Paolo gave *HER*’ !
Via ‘their *telepath*’ !
That ‘helped her *trust this*’ !
“I don’t *care*
“*HOW* you get here !
“Just ☺ get *HERE*”
It ♥ . . . ‘was ! . . . *that*’ !!!!!^
☺

♥♥♥♥♥♥♥♥♥♥^♥♥♥♥♥

“We have made ☺ ‘good *progress*’ ! today ☺
“In ‘stepping *down* . . . *this CODE*’ !
“To a . . . ‘softer’ ☺ code ☺
“We ‘do’ hope ☺ ‘it *makes*’ ! sense ☺
“AND ‘THANK YOU !
““FOR *YOUR PATIENCE*’ ! ☺
“As we . . . ‘sort ! *this*’ ! ☺
“We . . . ‘coordinate ! *this*’ !
“Transmission ^☺♥!
“From ‘The *Voice*’
“In ☺ ‘two ^ *your* ! *HEARTS* !
“‘AND !
““*SOULS*” !!!!!
